## Exhibit 25

Let's try and connect today. I want to talk to you about your trip to Perris. Mike has reached out to me and wants me to call him. I know there is some friction there but want to talk to you before I talk to him.

Also, on another note Katin Miller is the lead for DA that is supposed to help with McDonough challenge

## Sounds good

What time are you free to talk?

I'm at the airport now.
Someone pulled the fire alarm!
Good grief.... they haven't
evacuated yet but the alarm is
going off and it's really
annoying... I board in 20 mins. I
can call you when I get to
Ohare. Around 5:15pm CST if
that works

Thanks for talking. This is the first time in months that I feel good about a lot of stuff and having you here has removed a tremendous amount of stress. I really appreciate your support.

Of course. I'm happy to hear that!

Just talked to him.. no need to discuss details. If he needs something from you or feels

Just talked to him.. no need to discuss details. If he needs something from you or feels your not able to provide him with the info i told him to call me. I don't want any more drama. I told him we all need to work together. And that his building is Wayfair's building

Thanks. Have a great rest of the night
